Module 4 - Module 5 Development Assignment

Module 4 – Module 5
Due Date:
Point Value: Max. 60 points (for next week)

Learning Objectives

You will

- Develop summative and formative assessments and activities that accurately measure student performance aligned with the intended learning objectives for your course.
- Complete minimum half of the course assessments and activities this week.

Directions

1. Last week you completed the Assignment Sheet for the introductory activity for your course. This week you will follow the same format and create other summative and formative assessments and activities for your course. For each assessment (or activity) you need have instructions which contain Learning Objectives, Tasks or Directions and Rubrics as the Icebreaker Assignment you previously did.
2. Then, in the online educational tool that you have chosen start creating and uploading your materials for your course.
3. Complete minimum half of the formative/summative assessments. You may proceed with more because all of them will be due in next module.
