Module 5 - Module 4 Development Assignment

Module 4 – Module 5
Due Date:
Point Value: Max. 60 points

Learning Objectives

You will

- Develop summative and formative assessments and activities that accurately measure student performance aligned with the intended learning objectives for your course.
- Complete all of the course assessments and activities this week.

Directions

1. Last week you completed minimum half of the assessment/activities for your course. This week you will follow the same format and create rest of the summative and formative assessments and activities for your entire course. For each assessment (or activity), create/draft instructions which contain Learning Objectives, Tasks or Directions and Rubrics.
2. Then, in the online educational tool that you have chosen, past these and other relevant materials for your course.
3. In the discussion board for module 5, share the link to your course or provide access so that peers can evaluate and provide feedback.
