Module 7 Progress Report and Peer Review Assignment

Module 7
Due Date:
Point Value: Max. 60 points
(Project Progress – 40 points and Peer Review – 20 points)

Learning Objectives

You will

- Utilize a variety of course materials that align with intended course objective
- Evaluate course materials for alignment, ID principles, UDL, and professional policies
- Adhere to copyright laws
- Explain the purpose of your course materials as well as course syllabus and course schedule.

Directions

1. In the Project Progress Report discussion board this week, explain about the progress you have made so far in the development of your course writing evidence. Be sure to focus on **course syllabus and course schedule,** but note any others areas as needed to praise or note constructive criticism.
2. Similarly, add the course syllabus and the course schedule that you created for your course as well.
3. Also, do not forget to add the link to your course at the end of your progress report.
4. While giving peer feedback to your peers', critique those course materials especially for the course syllabus and the course schedule that they created.

Development - Assessment & Rubric

A-level work – (34-40 points) - Exceeds Expectations – Evidence of extended mastery of all student outcomes/competencies

- Has explained the progress clearly with evidences about how they have made changes to the course especially the course syllabus and the course schedule.

B-level work – (28-33 points) - Meets Expectations – Evidence of mastery of all student outcomes/competencies

- Has explained the progress but some evidence might be missing about how they have made changes to the course especially the course syllabus and the course schedule. .

C-level work – (22-27 points) - Developing – Evidence of partial mastery of one or more student outcomes/competencies

- Has not explained all the progress or has no evidence of the progress report made especially the course syllabus and the course schedule.

D and F-level work – (0-21 points) - Does Not Meet Expectations – Evidence of limited or incomplete mastery of one or more student; outcomes/competencies or failure to attempt one or more student outcomes/competencies

- There are no progress made other than the materials mentioned in previous weeks and the course syllabus and the course schedule is not created.

Peer Review - Assessment & Rubric

A-level work – (18-20 points) - Exceeds Expectations: Has shared clear constructive, thorough and meaningful feedback content to at least 2 peers.

B-level work – (16-17 points) - Meets Expectations: Has given constructive feedback to at least 2 peers.

C-level work – (14-15 points) – Developing: Has given feedback which includes less than 5 sentences to only one peer.

D and F-level work – (0-13 points) - Does Not Meet Expectations: Has given feedback which includes less than 5 sentences to only one peer or has not given any feedback at all.
